Verge Maintenance Assistance Program

Resident Information and Application Form

PART A – INFORMATION

What is the Verge Maintenance Assistance Program?

Central to the Town's commitment to improve services through our Access and Inclusion Plan 2024-2028, the Town understands that not all members of our community are able to undertake verge maintenance.

Subject to approval, the Town may provide support to property owners or occupiers to maintain their grassed verge, provided they meet the eligibility criteria by demonstrating they are unable to undertake mowing due to age, disability or other medical condition.

Are there eligibility criteria?

Yes, the Applicant(s) must meet the following criteria:

1. Permanently reside in the Town of Bassendean and occupy the property that is subject to this application, and
2. Have a disability or other medical condition that renders maintenance of the verge impractical (evidence of current care approval or medical certificate confirming there is a medical reason which prevents the applicant from being able to undertake mowing of the verge), and
3. Have no other members of the household, relatives or neighbours who can assist in maintaining the verge, and
4. Are receiving a Commonwealth Pension, for example, an aged or disability pension (evidence required).

NOTE: To be eligible for the program applicants must provide evidence to support their application. Applicants must reapply every 12 months and be reassessed against criteria.

How do I apply?

Residents must apply for the verge mowing assistance program by completing **Part B** of this form. Each application is assessed on a case-by-case basis against the eligibility criteria. The Town may seek further information from the applicant to assist in decision making.

From 1 July 2024, residents receiving Verge Maintenance Assistance (who are the property owner) must not be in arrears for payment of rates, without a payment plan in place.

TOWN OF
Bassendean

If I am unsuccessful with this application, are there any community organisations that could assist me with the maintenance of the verge?

Yes, there are a number of organisations that provide home and garden maintenance support services.

[Silverchain](#) or [People Who Care](#) assist individuals and families that may need some extra help with everyday tasks. Property owners or occupiers will need to contact these organisations directly to see if they are eligible for this service.
