Mayoral address

Welcome to our Seniors Special Edition of Thrive to celebrate Seniors Week 2021 being held in Western Australia between 7 and 14 November.

In November, we will join with the Bassendean 55 Plus community group in celebration of our elders by facilitating a number of events to inspire closer connections with our older community members - you can read more about this on page four.

Seniors Week is a time to get to know many of our older residents. With lives “chock” full of experiences and knowledge, it’s important to maintain strong connections with our seniors as they enrich our own lives in many ways.

“Do not take for granted our elders – they are our living history”
(Dr Richard Walley)

In this fast-paced busy world, isolation is a real possibility, particularly for those with declining mobility. Simply being more aware of our neighbours and lending an occasional helping hand can make a difference.

There is a special “What’s On for Seniors” flyer included in this edition of Thrive listing all the services in the Town that are available year round for over 55’s to access - feel free to share with someone you know, or chat to an older neighbour about the upcoming Seniors Week festivities to find out if they would like to join in.

To highlight the incredible spirit of this community, the Town of Bassendean’s annual Community Awards are now open for nominations! This is a great way for neighbours, colleagues and friends to acknowledge others for their contributions, particularly those who are exceptional role models or who have brought about positive changes that benefit our local community. Head to page five for more information.

This edition also features our new Council, and as the newly elected Mayor I congratulate and welcome recently elected Councillors - Cr Emily Wilding, Cr Jennie Carter, Cr Paul Poliwka and Cr Tallan Ames. I am also pleased to continue working alongside Cr Renee McLennan, newly elected as Deputy Mayor, and Cr Hilary MacWilliam who continue their terms. I look forward to this next exciting chapter as part of a truly diverse Council that represents our modern-day community.

Much like the Council’s transformation, there are changes happening all around us during this Noongar season of Kambarang (or Spring). Such a beautiful time of year with Banksias and Acacias blooming profusely. It’s perfect weather to embrace the outdoors with a friendly smile or wave to our neighbours as we stroll down Old Perth Road or by the river. It’s a season to enjoy all the natural green spaces that surround us, and to chat with new and old friends along the way.

Wishing you well.

Kath Hamilton
Mayor

A farewell message from former Mayor, now Deputy Mayor, Cr. Renee McLennan

October marked my son Xavier’s 5th birthday. When I was first elected to Council in 2015 he wasn’t even a “twinkle in my eye” as my Nanna would have said. Needless to say, it has been a very big few years for our family! I feel so privileged to have spent the last four years combining the important roles of both Mum and Mayor. Doing so has required a lot of my family and particularly my husband, whose unfailing support has allowed me to take on the role; for this I am eternally grateful.

Being Mayor is an incredible honour and I’ve been so thankful for the opportunity to work closely with many amazing individuals and groups who are making a positive impact on our community and improving the lives of people in our Town both now and for future generations. We have seen significant changes during this time and made progress towards being a more contemporary local government and I am particularly proud of the leadership our community has shown on environmental issues and sustainability.

The Mayor role can be gruelling, and when you care deeply like I do, it can also take a personal toll. At this point in my life my family deserves to have more of me than I have been able to give recently. I also need to take some time to replenish my own reserves so that I can continue to give and contribute to our community. Therefore, I made the difficult decision that I would not re-nominate as Mayor and instead step down and support one of my fellow Councillors to take on this role for the coming two years.

Thank you to everyone who has supported and encouraged me in this role; it has meant more than you will ever know. There is always further work to do and I now look forward to seeing what we can achieve together as a newly configured Council.

All the best,

Renee McLennan
Deputy Mayor
