It's been a privilege to represent **YOU**, the residents of The Town of Bassendean, for the past 2 years.

With deep roots as a third-generation Bassendean resident, spanning almost 40 years, and a thriving business proprietor, I'm intimately intertwined with our community's fabric.

Our **Home by the Swan** holds an irreplaceable spot in our hearts, yet the path ahead for our Town still hangs in the balance. Only through **prudent fiscal stewardship** and **unwavering commitment to our Town's strategic blueprints** can we steer clear of uncertainty. I pledge to **reinforce future-thinking fiscal management, champion sensible & sustainable urban growth, and safeguard cherished public spaces.**

Our local enterprises, senior residents, community/sporting clubs, and schools deserve unwavering backing.

I again look to leave no avenue unexplored to keep our Town a vibrant haven for all & I will continue to bring **YOUR** conversations to council and have **YOUR** voice heard.
