MODERN CLOTH NAPPY & SANITARY PRODUCT REBATE APPLICATION FORM

The Town is providing the opportunity for residents to receive a rebate on the purchase of modern cloth nappies and reusable sanitary products. Despite initial costs, these items lead to long-term savings and environmental benefits.

Research shows cloth nappies can potentially last through raising multiple children. Likewise, just a single reusable sanitary pad can be used enough times to equal roughly 540 disposable pads or tampons – That’s a lot of money saved, and a lot of plastic avoided!

Despite water and detergent use, reusable products still have a much lower environmental impact than disposable options.

TERMS & CONDITIONS

The rebate is limited to a percentage of the total purchase/hire cost of:

- Reusable cloth nappies and products (wetbags, re-usable inserts) – 70% / Rebate maximum \$140.00
- Reusable health sanitary products (pads, underwear, cup or similar) – 50% / Rebate maximum \$50.00

Only one rebate per household/ family is permitted, and applications must be submitted within 12 months of the purchase. Rebates are available subject to remaining annual budget.

To be eligible for this rebate you must:

- 1) Be a Town of Bassendean resident at the time of purchase and application submission
- 2) Have not previously successfully applied for this rebate
- 3) Provide proof of purchase (receipt, email, screen capture or similar) showing:
 - a) Date of purchase (must be within past 12 months)
 - b) Cost and details of items purchased
- 4) Provide bank account details for payment of the approved rebate
- 5) Purchase or Hire one of the following products:
 - a) Reusable cloth nappies and products (wetbags and re-usable inserts)
 - b) Reusable sanitary product (pads, underwear, cup or similar)
- 6) Visit the Customer Service Centre, 35 Old Perth Rd to provide ID/Proof of address

HELPFUL RESOURCES

The Town strongly encourages applicants to attend a workshop, as we want to make sure you have the best opportunity for success in using your new nappies or sanitary items.

- YES**, I would love to know more about what resources are available! Please send me an email with more information about:
