

Anzac Day Service

11.00 am Friday 25 April

On 25 April 2014, our nation will commemorate the 99th anniversary of the Australian and New Zealand Army Corp – the ANZACs – at Gallipoli.

Anzac Day is a day of national commemoration when we pause to remember Australia's servicemen and women who served our nation with pride and valour in wars, conflicts and peace operations.

You are invited to come along at 11.00 am and join in the Town's Anzac Day Memorial Service on Friday 25 April 2014 at the War Memorial in Old Perth Road, Bassendean.

Bassendean Village Shopping Centre on track

A CARRIAGE from the first train built in Western Australia will be given a new lease of life when it becomes a feature of the new Dôme Café which is currently under construction in Bassendean. The photograph, by Steve Perkins of Flair Photography, shows the carriage being lowered into position.

The carriage has been painstakingly restored by volunteers of the Bassendean Railway Museum. The Museum, located in Railway Parade, is open to visitors on Wednesday and Sunday afternoons.

Site for the Men's Shed settled

A RECENT decision of Council makes achieving the long-held dream of the Bassendean Lions Club for a Bassendean Men's Shed one step nearer.

Council has agreed to seek State Government approval to lease a parcel of land alongside the St Johns Ambulance Training Centre with a Collier Road frontage.

"Having the site agreed means the Club can design the building to fit into the land and allows the project to be costed. This is vital in that they can then commence negotiations with potential funder groups like Lotterywest," said Mayor John Gangell.

Residents interested in becoming involved in the project or participating in Shed activities should email Clive on clibro@iinet.net.au or call Ted on 0402 035 100.

Wind in the Willows embraces sustainable practices

The Town of Bassendean Children's Services has recently had a dramatic makeover in their side yard at Wind in the Willows Bassendean. As part of including sustainable practices in their programme, the Centre has renovated the yard to include a substantial vegetable garden, and a new chicken run to house the Centre's three much loved chooks. A local graphic artist, Ivan from Enhance Painting and Maintenance, also donated his time to design and paint a large mural on the back fence depicting Australian animals and incorporating the Town of Bassendean colour scheme.

Wind in the Willows applied and received a Telstra Grant to purchase a large water tank for the Bassendean Centre. Venus Plumbing has very kindly agreed to donate their time to install the water tank and this will be used on the Centre's garden. Kevin Hood from Statewide Demolition and Recycling donated several lengths of guttering which will be turned into vertical wall gardens.

We have also applied for grant funding to install several large garden beds at the Ashfield Centre. Children are learning the concept of from garden to plate, picking fresh vegetables and herbs themselves to be used in cooking the Centre's meals.

Educators at the Centre feel that teaching children the value of sustainable practice is not only a vital part of their early education, but is imperative in ensuring that future generations understand the importance of preserving the earth's resources. Other initiatives being implemented include turning off lights when not in use, the establishment of worm farms, and mindful use of electrical appliances. Both Centres look forward to developing more sustainability strategies in the future.

Broadway Arboretum Reserve Shared Path Project

IN FEBRUARY 2012, after extensive community consultation, Council adopted the Broadway Reserve Concept Plan. The Broadway Reserve concept plan is a guiding document which outlines potential infrastructure and arboretum improvements. Council allocated funds in the 2013/2014 budget to construct the new shared central concrete path.

The new path will provide the opportunity for residents to move through the Reserve in a safe manner whilst maximising the interactive park experience for pedestrians and cyclists from Broadway to Scaddan Street.

In order to undertake these works the Town has completed an assessment of the trees and shrubs directly adjacent to the works area and identified vegetation which will be protected. After the new path is completed it is intended to mulch and rehabilitate the area with local endemic plants.

Green waste collection 2014

Place your green waste on the verge only on the weekend set-out dates allocated for your area in accordance with the important conditions.

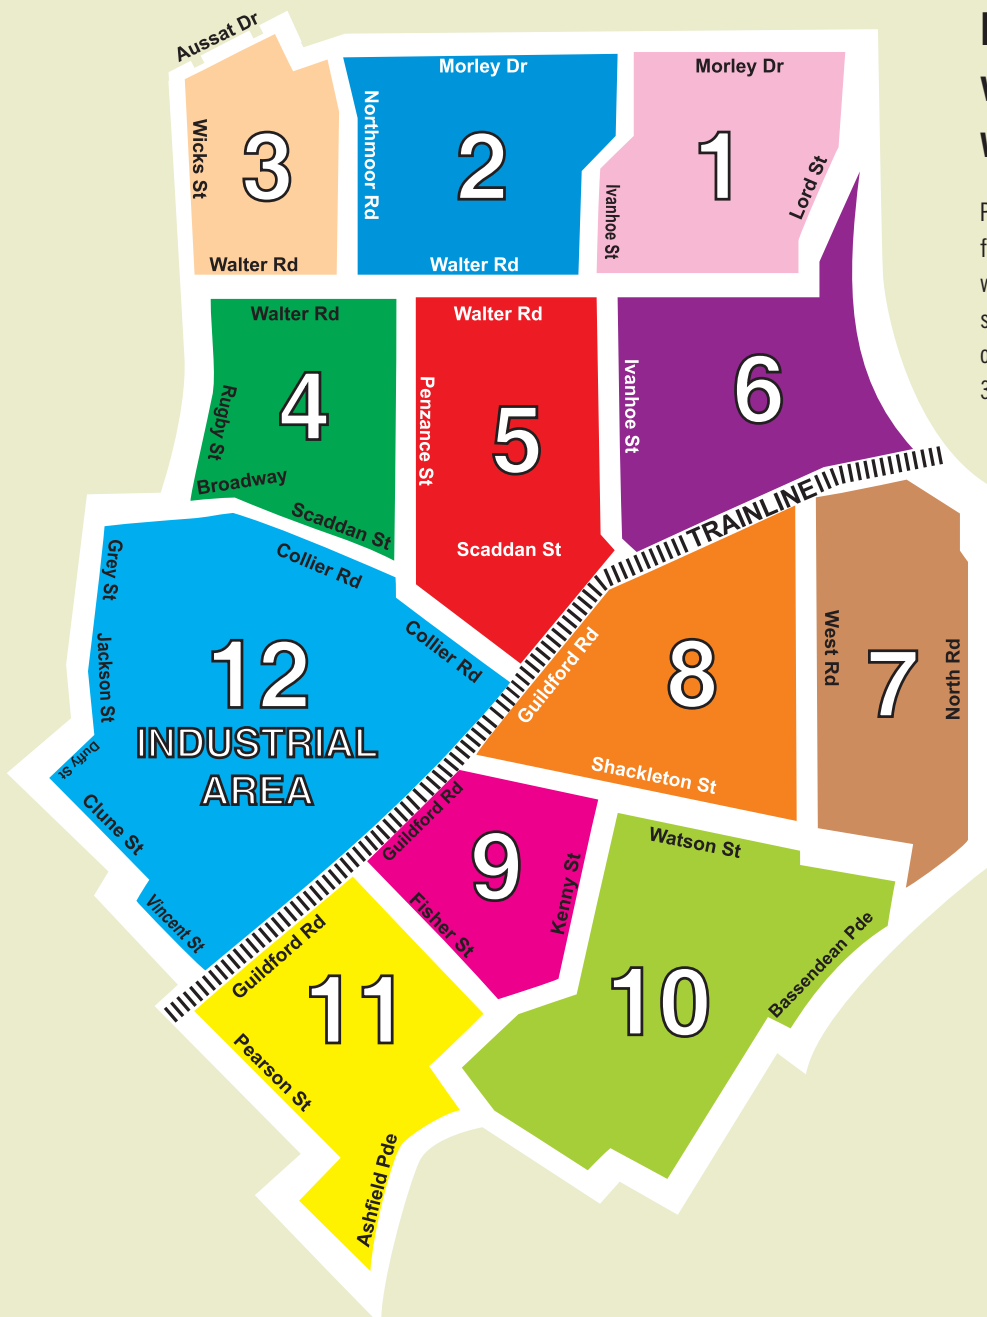

Refer to the district map below for the set-out dates in your area.

Green waste collections start at 7.00am on the Monday following your weekend set-out dates.

All waste must be out on the verge by this time as your street may be the first to be serviced. Allow up to 5 days for the collection.

Green waste deposited on the verge area prior to the weekend set-out dates or after the collection dates indicated is considered a litter offence. Inspections will be carried out and fines issued.

To find your bin collection day go to www.bassendean.wa.gov.au and enter your street name and it will display the set-out dates for your property.

Place your waste on the verge only on the indicated weekend set-out dates.

Please refer to www.bassendean.wa.gov.au for further detailed information under "Find your waste collection date". If the stated weekend set-out dates are not convenient, ratepayers can obtain a valid tip pass from Customer Service at 35 Old Perth Road, Bassendean.

Green waste

Green waste collected from residential properties is diverted from landfill. The waste is taken to Red Hill disposal facility where it is shredded and turned into horticultural products for use in landscaping. Any contaminants in your green waste (chicken wire, metal, building rubble, junk, household waste) results in waste being rejected by the processing facility. Green waste contaminated with rubbish will not be collected.

Verge Trees

Do not attempt to prune any verge/street tree. The Town places great value on its street trees. Any pruning or damages occurring to a street tree, wilful or otherwise, will be subject to prosecution under the *Local Government Act*.

Remember green waste only.

No general rubbish.

Bassendean goes arty with OPEN!

In what is a first for the Town of Bassendean OPEN! will showcase our creative townsfolk and celebrate art in all its forms. OPEN! is a day of open studios, creative workshops, exhibitions, and a pop up design market. It's all happening on Sunday 4th May from 10.00am–3.00pm in various locations throughout the suburbs of Bassendean, Ashfield, and Eden Hill.

So far more than 50 local artists have registered their involvement in OPEN!, including members of the Bassendean Arts Community and the Fibrant Textile collective who will host an Open Day at 1 Surrey Street.

In addition local residents will be throwing open their doors to their own studios and gardens including Paul Caporn, Nami Osaki, Lucy Brommell and Martin Jaine.

A handful of creative workshops have been co-ordinated where participants can learn new skills including knitting, crocheting, upcycling, paper craft, shibori dye techniques, as well as instagramming. Many of the workshops will result in art installations including a flower garden and yarn bombing.

The art students from Cyril Jackson Senior Campus are working on an ephemeral 'public' art exhibition which will be installed along Old Perth Road.

Local businesses Tomorrow's Memories, Tall Style, To the Woods, and Daisy & Rowe are also getting involved with artists in residence, demonstrations, displays, activities, workshops and exhibition.

A grouped exhibition entitled the 'Eastern Bloc' will feature artists from the eastern and hills regions. Selected works from the Town's Art Collection, many of which are not normally seen by the general public, will be exhibited.

Local makers and designers will be setting up shop at a Pop Up Design Market, just in time for buying the perfect Mothers Day gift. There will be jewellery, clothing, handbags, photography, prints, garden art and graphic design, not to mention coffee and cupcakes too.

We are encouraging visitors to be art tourists—to walk, cycle, or drive to the various locations on the day. A full map of all the locations and activities is available to download from www.bassendean.wa.gov.au—just follow the links to OPEN! Some workshops require registrations and fees may apply.
